STAKEHOLDER FEEDBACK PROCESS

CT Institute of Technology & Reserach Maqsudan, Jalandhar is always keen to provide quality education and improve the ambiance of the institute. To achieve this, the institute has implemented a feedback process that takes suggestions from the different stakeholders such as students, faculty alumni and The feedback forms are circulated to all the stakeholders. After collecting the feedhack analysis of the feedback is done and necessary actions are taken according to the suggestions given by the stakeholders

FEEDBACK MECHANISM

The following feedback process is followed every year. Feedback is taken from the following stakeholders

- 1 Students
2. Faculty
3. Alumni
4. Employer

Feedback forms with questions based on teaching learning process, curriculuen and ambiance are prepared using online/offline mode and the forms/form links are shared with the respective stakeholders

The stakeholders are asked to fill the fures within a time limit. They are requiret to give the resportses Excellent, Good, Satisfactory and Poor.

The feedbacks taken from all the stakeholders are analyzed by Head of respective departments and necessary actions are taken at the department and college level.
